Tier 5 (Specialty Tier)	33% Coinsurance	Not Applicable	Not Applicable

Your cost-sharing may be different if you use a Long-Term Care pharmacy, or an out-of-network pharmacy, or if you purchase a long-term supply (up to 100 days) of a drug.

This plan participates in the Part D Senior Savings program which offers a \$35 copay for a 30-day supply of covered insulin. You pay the same cost during the initial coverage and coverage gap or “donut hole” stages of your benefit. You will pay 5% of the cost of your covered insulin in the catastrophic stage. Your cost may be less if you receive Extra Help from Medicare.

Please call us or see the plan’s “**Evidence of Coverage**” on our website (www.medicarebluekc.com) for complete information about your costs for covered drugs.

Coverage Gap

The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches \$4,430.

After you enter the coverage gap, you pay 25% of the plan's cost for covered brand name drugs and 25% of the plan's cost for covered generic drugs until your costs total \$7,050, which is the end of the coverage gap.

Our plan covers Tier 1 Preferred Generic and Tier 2 Generic in the coverage gap.

Standard Retail Cost-Sharing

Tier	One-month supply
Tier 1 (Preferred Generic)	\$0 Copay
Tier 2 (Generic)	\$5 copay

Your cost-sharing may be different if you use a Long-Term Care pharmacy, or an out-of-network pharmacy, or if you purchase a long-term supply (up to 90 days) of a drug.

Catastrophic Amount

After your yearly out-of-pocket drug costs reach \$7,050, you pay the greater of:

- \$3.95 copay for generic (including brand drugs treated as generic) and a \$9.85 copayment for all other drugs, or
- 5% of the cost.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-855-208-8246 (TTY 711).

Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit <http://www.medicarebluekc.com> or call 1-855-208-8246 (TTY 711) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2023.
- For HMO Plans only:** Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- For PPO Plans only:** Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.
- For PPO Plans only:** Out-of-network/non-contracted providers are under no obligation to treat **Blue Medicare Advantage (PPO)** members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information.
