Out-of-network/non-contracted providers are under no obligation to treat Blue Cross and Blue Shield of Kansas City members, except in emergency situations. Please call our Member Services number or see your "Evidence of Coverage" for more information, including the cost-sharing that applies to out-of-network services.

Blue Cross and Blue Shield of Kansas City is an independent licensee of the Blue Cross and Blue Shield Association. The HMO product is offered by Blue-Advantage Plus of Kansas City, Inc., a wholly-owned subsidiary of Blue Cross and Blue Shield of Kansas City.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-888-892-8907 (TTY 711).

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit <https://www.medicarebluekc.com/employer-plans> or call 1-888-892-8907 (TTY 711) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2024.
- For HMO Plans only:** Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

For PPO Plans only: Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.

For PPO Plans only: Out-of-network/non-contracted providers are under no obligation to treat Blue Medicare Advantage (PPO) members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information.
