Jnderstanding the Benefits				
	Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit http://www.medicarebluekc.com or call 1-855-208-8246 (TTY 711) to view a copy of the EOC.			
	Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.			
	Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.			
Understanding Important Rules				
	In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.			
	Benefits, premiums and/or copayments/co-insurance may change on January 1, 2022.			
	For HMO Plans only : Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).			
	For PPO Plans only : Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.			
	For PPO Plans only : Out-of-network/non-contracted providers are under no obligation to treat Blue Medicare Advantage (PPO) members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information.
