Introduction

This directory provides a list of Blue Medicare Advantage's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You should choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). Generally, you should get your health care services from your PCP. You may call customer service at the number on the back of your ID card to add or change your PCP at any time.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. Other providers are available in our network.

Out-of-network providers are under no obligation to treat Blue Medicare Advantage enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service Department at 1-888-892-8907 (TTY: 711), Open seven days a week from 8 a.m. to 8 p.m. You may reach a messaging service on weekends and holidays from April 1 through September 30. You may also refer to your Evidence of Coverage for more information, including the cost sharing that applies to out-of-network services.

While our plan includes out of network coverage; however, it may cost more to get care from out-of-network providers.

If you should receive a bill from an out-of-network providers, you should not pay the bill but should submit it to Blue Medicare Advantage for processing.

If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, Blue Medicare Advantage may move you to a network hospital for part of your stay after you are stabilized. If you choose to continue services at the out-of-network hospital after your discharge, your stay will be covered but you will pay the out-of-network cost-sharing amount for the part of your stay after you are stabilized.

How do you find Blue Medicare Advantage providers in your area?

There may be other providers in our network outside our service area and you may locate them on our web site or contact customer service at the number on the back of your card for assistance.

If you have questions about Blue Medicare Advantage or require assistance in selecting a PCP, please call our Customer Service Department at 1-888-892-8907 (TTY: 711), Open seven days a week from 8 a.m. to 8 p.m. You may reach a messaging service on weekends and holidays from April 1 through September 30. Blue Medicare Advantage
2024 Pharmacy Directory

Pharmacy Introduction

This provider directory is for the Kansas City Metro area. There may be other providers in our network outside our service area and you may locate them on our web site or contact customer service at the number on the back of your card for assistance. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Blue Medicare Advantage's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Blue Medicare Advantage only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of the date indicated in the footer. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is a subset of our network and includes list of pharmacies in the general geography around and closest to your home. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory contact call our Customer Service Department at 1-888-892-8907 (TTY: 711), Open seven days a week from 8 a.m. to 8 p.m. You may reach a messaging service on weekends and holidays from April 1 through September 30 or visit https://www.medicarebluekc.com/find-care.
